01 *The Curator*

Foundation

Where the world’s leading design houses meet your table.

Nona International is a designer tableware boutique at Sandton Gate, Johannesburg — the Southern African home of Serax of Belgium and ASA Selection of Germany.

We bring collections to South Africa that have not been available here before, created by some of Europe’s most celebrated chefs and designers.

> *“Objects designed to elevate everyday living.”*

Brand Essence

02 *The Collections*

Over 10 collections now available in South Africa — each led by a chef or designer whose work already sits in the world's dining rooms. dining rooms.

01 / ASA Selection

Coppa

Japanese-inspired matte tableware with softly muted glazes, made for everyday ritual.

02 / Serax — Sergio Herman

Silhouette

By the Dutch chef whose restaurant held three Michelin stars. Sculptural forms with restraint and precision.

03 / ASA Selection

Poké Bowl

Handcrafted stoneware shaped around bowl culture — generous, tactile, and quietly contemporary.

04 / ASA Selection

Saisons

Reactive-glaze stoneware with no two pieces firing exactly alike — material as character.

05 / Serax — Yotam Ottolenghi

Feast

By the London chef and bestselling cookbook author. Bold, convivial ceramics made for shared tables.

House Note

"Fewer, better objects — each with texture, weight, finish and provenance."

03 *A gift with a story.*

Executives own everything. What they keep is a piece with provenance. Each Nona gift ships with its collection card — the designer's story in the recipient's hands.

Three Tiers
